

With **Calero**

The Challenge

As telecom operations expanded globally, Valmont faced challenges with limited inventory visibility, manual reporting processes, and inconsistent carrier management. The organization needed a more centralized approach to improve operational oversight, reporting accuracy, and cost control.

- 1 Limited visibility into telecom inventory and billing
- 2 Manual workflows reduced reporting efficiency
- 3 Difficulty validating invoices and managing carriers
- 4 Needed scalable global telecom oversight

The Calero Solution

Delivering Centralized Telecom Expense Management for Global Operations

Calero delivered a centralized Telecom Expense Management solution designed to improve inventory visibility, automate auditing workflows, and strengthen telecom oversight across global operations. Enhanced reporting, invoice validation, and centralized carrier management helped improve operational efficiency while reducing telecom costs.

With Calero, Valmont now has access to a platform that has:

- ✓ Improved visibility into telecom inventory and expenses
- ✓ Centralized invoice auditing and invoice management workflows
- ✓ Streamlined carrier consolidation and vendor management
- ✓ Enhanced reporting accuracy and operational oversight
- ✓ Improved support for contract negotiations and cost control
- ✓ Scalable telecom management across 30 countries

Spend Less Time Auditing & More Time Optimizing

Valmont partnered with Calero to improve telecom visibility, automate reporting workflows, and strengthen cost control across global telecom operations.

Operational Wins with Calero

- Reduced telecom expenses by **50%** over **5 years**
- Generated more than **\$500K** in annual savings
- Improved **visibility** across telecom inventory and carrier data
- Streamlined carrier **consolidation** and **auditing** workflows

Human Wins with Calero

- Reduced manual workload for internal telecom teams
- Improved confidence in telecom reporting and invoice accuracy
- Increased operational responsiveness through centralized workflows

Three Things Every Executive Should Know

- 1 Scalability is paramount for future-proofing.** Prioritize platforms that not only withstand expansion, but help you through it.
- 2 Visibility is power.** Without it, waste thrives and costs spiral.
- 3 Prioritize innovation that prioritizes efficiency.** Strategic long-term partners always lead by listening to their end-users to inform platform improvements that make their day-to-day easier.

► Take the first step in better decision making.

We don't just provide software, we provide a partnership that helps you tackle the hard stuff. The complexity. The fear. The "this can't be automated" moments. And we've proven it can be done for over 30 years.
